Message From Executive Trustee

It is with a deep sense of personal regret that I place on record the sad demise of our Chairman, Shri Rohit C Mehta and our Managing Trustee Smt Saral Tandon during the intervening period from our last Annual Report of 2019-20. Sar-La Education Trust benefitted hugely from their sage advice and unwavering vision on all of the Trust's activities and involvements. They will always be missed in our pursuit to follow their guided path.

The pandemic prevented us from conducting offline activities to be reported on our digital Annual Report of the Trust for 2020-21. In this Annual Report we have highlighted all the salient features which may have been missed otherwise. This Annual Report deals with each of those activities and involvements in some detail.

To our growing footprint, we have included Teacher Training as an important area of involvement. We realize that content, curriculum and pedagogy have achieved some level of perfection. It is in their delivery that there are failings. Scale is important too as the problem needs immediate attention. We believe that technology will play an important role, even if initially in a hybrid manner. "Scale without losing sight of delivered quality" will be our guiding mantra as we move forward.

I would like to thank all our institutions and their staff for taking leadership roles to take Sar-La Education Trust from strength to strength. In this regard, the role of our own Trustees and our small team of dedicated people has also been exemplary. I look forward to working with all of them and being guided by their advice in the coming years too.

Sincerely,
Chetan Mehrotra

In July 2021 Kargil Vijay Diwas being a symbol of patriotism was very well demonstrated by the children in the form of posters which were passionately made by them depicting a feeling of nationalism.

An online motivational talk by previous Grade 10 toppers was arranged on 28th July for the present batch of Grade 10. They shared their experiences and encouraged all the students to give their best in the boards. They appreciated the efforts of all the teachers.

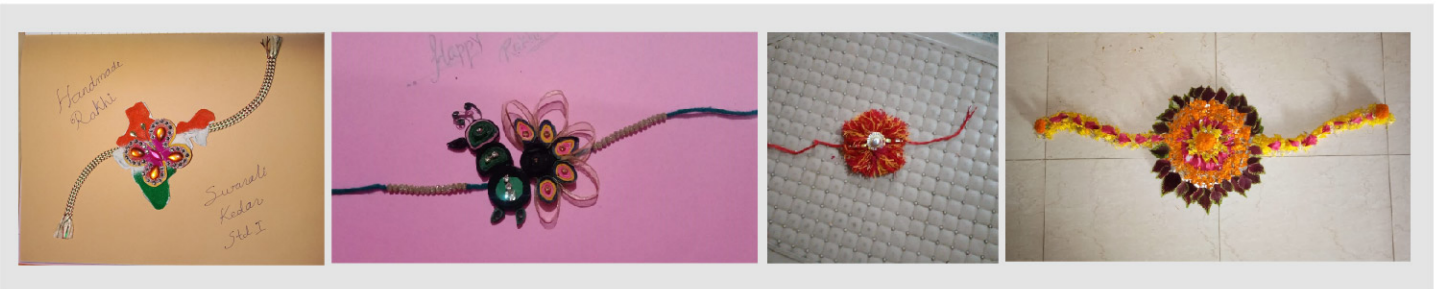

The 75th Independence Day was celebrated with patriotic zeal on 15th August 2021 by the staff members of the school during the ongoing pandemic. The members of the Governing Council joined the program online. The hoisting of the flag, singing of the National Anthem, paying salute to the tricolour and deliverance of motivational speech by the Principal Ms. Rashmi Shendre, were the main highlights. Students put up online cultural programs to mark this day.

On the occasion of Raksha Bandhan, the school organized activities through virtual platform on 21 August 2021 to make students understand the true essence of the festival and the sacred bonding between brothers and sisters.

Rakhi making activity was organized for students and they made beautiful rakhis using different articles like silken thread, ribbons, and other organic materials.

Their artisanship was quite fascinating. Children thoroughly enjoyed the activity showing creative side.

An online Janmashtami celebration was organized on 31st August 2021 where the young tiny tots participated and showed creativity through drawings and paintings and also through dance and singing. Dahi Handi was also organized where the teachers enthusiastically participated in the event.

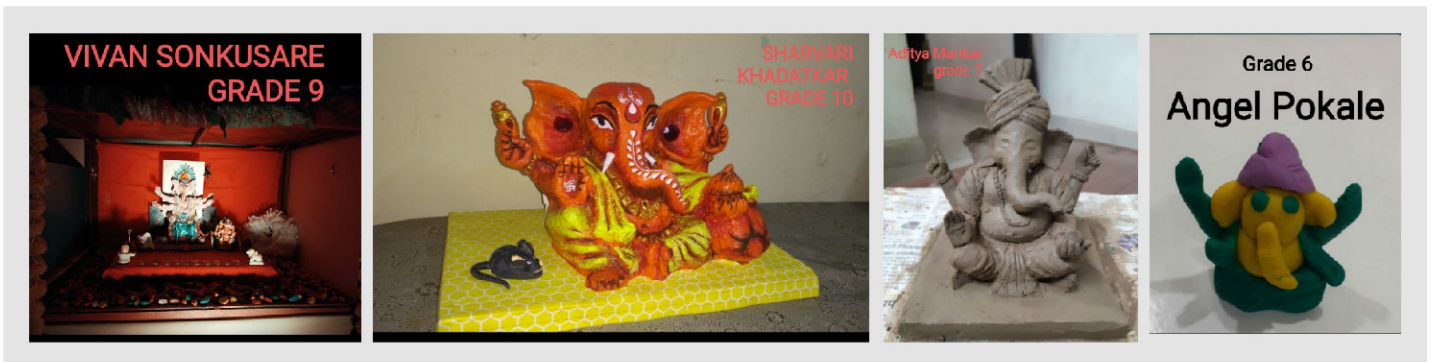

On 28th August at 10.30 am Akashwani Nagpur broadcasted our student's programme named "Vividh Bhasha Vividh Bharti Ke Saath".

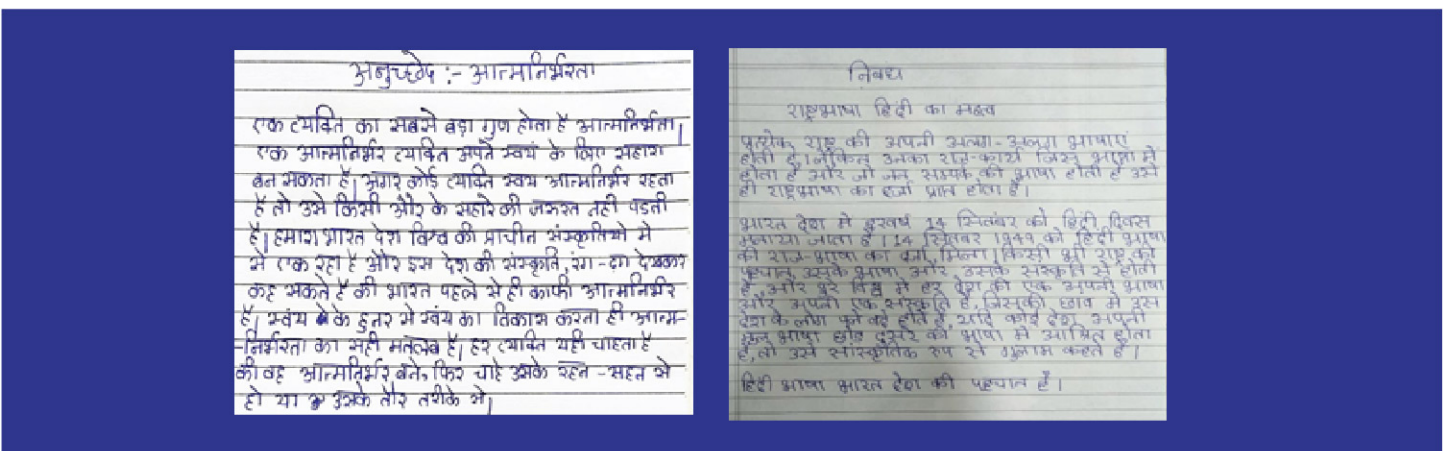

Teachers' Day was virtually celebrated on 4th September 2021 with great gusto and gaiety. The program was anchored by our students Master Vedant Joshi and Miss Joanah Jobin. The students surprised their teachers by putting up a wonderful program of dance, drama, song, speeches, to demonstrate their love, respect, acknowledgment and gratitude for them.

The school has celebrated virtual Ganesh Chaturthi festival with vigor and splendor. Students participated in this event intending to bring happiness, positivity and contentment. Students from Nursery to Gr-12 sent beautiful videos/photographs of Shlokas, Ganesh Vandana and dance with lot of enthusiasm. This program was entertaining, refreshing and a lot of fun.

Hindi Diwas was observed on 14th September 2021. Under the guidance of the Hindi teacher, Ms. Madhuri Joshi, students composed poems & wrote speeches. An Essay writing competition was also conducted for Grade 6 to 10.

The school celebrated Gandhi Jayanti through a virtual platform with great patriotic zeal to make students aware of the National Festival and to remember 'Father of the Nation' or 'Bapu'. Students were encouraged to perform various activities like poetry recitation, speech rendition, mono act, slogan writing, dance performances based on life and work of Mahatma Gandhi. Students explored their creative minds with lots of enthusiasm.

Students celebrated Diwali through various online Inter-House competitions like diya decoration, greeting card making, collage making and rangoli making.

An interactive online session of Grade 9 and 10 teachers with the Chairperson of the school, Ms. Nirmala Tandon, was conducted on 08 November 2021. Teachers shared their views as to how the performance of students can be enhanced in the Board Exam.

The School celebrated Children's Day with immense joy and enthusiasm. The teachers made Children's Day special for the students by performing various activities for them.

Inauguration of Solar Power Generation by Ms. Nirmala Tandon on 9th December 2021.

Christmas celebrations in school

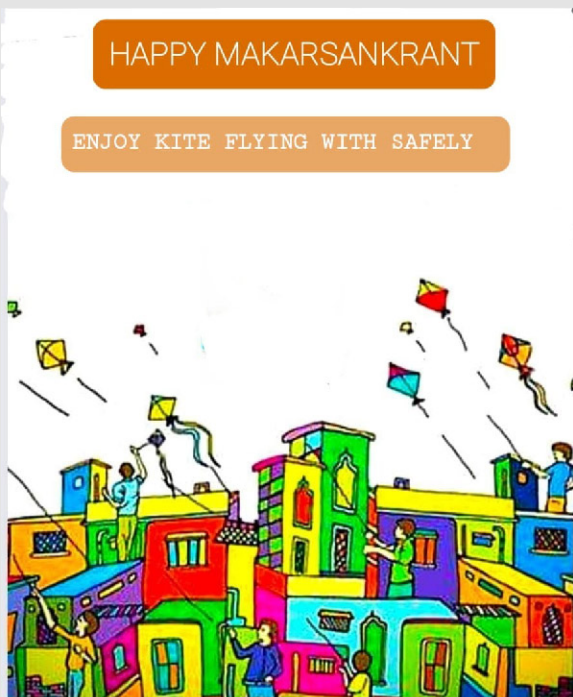

The Micro-Teaching concept was introduced from January 2022. All the teachers participated and delivered one or more micro-teaching module.

Covid Vaccination drive for students of Grade 9 to 12 was scheduled on 7 January 2022. A Team of doctors and nurses from PHC Borkhedi came for this drive. Total 125 students were vaccinated.

VACCINATION DOSE FOR STUDENTS

The school celebrated Makar Sankranti online with great enthusiasm on 14th January 2022. Students expressed their happiness by sharing their art and craft skills through their drawing.

The School celebrated 73rd Republic Day with gusto and zeal. Students presented various programs virtually. Principal Ms. Rashmi Shendre gave inspirational thoughts for the betterment of everyone's future.

Blood donation camp in collaboration with Lifeline Blood Bank on 26th January 2022.

10:30 AM

Our students participated in an All India Radio Akashwani Programme. The topic of the programme was the Constitution of India.

Lalji Mehrotra Technical Institute

Location: Mumbai, Maharashtra.

Lalji Mehrotra Technical Institute is a training hub offering a number of skill oriented programs through its Industrial Training Institute, Vocational Training Institute and Skill Development Institute. There have been operational challenges for 2 years due to the pandemic which led to the previous academic year 2020 – 21 getting extended up to December, 2021. This subsequently affected the regular session of 2021 – 22 which started in January, 2022. Despite the adverse situation the entire staff of the Institute worked towards providing good quality of training and at the same time enrolled and trained 450 students during the academic year 2021 – 22.

INTRODUCTION OF DUAL SYSTEM OF TRAINING

To bridge the gap between the ITI training given to the trainees and the industry requirement, the Ministry of Skill Development & Entrepreneurship (MSDE) introduced the scheme of “Dual System of Training” (DST) in India. The DST is the amalgamation of theoretical training imparted through ITIs and practical training imparted through industry. This is a German model of training introduced in LMTI with the approval from Government of India, Notification dated, 23/12/2021.

The LMTI industry partners are JSW Steel Coated Product Limited, Protolab Electrotechnologies Pvt. Ltd., Kapadia Brothers, Hiver Aircon Pvt. Ltd., SARA HVAC Pvt. Ltd., Vecare Consumers Science Pvt. Ltd. 136 trainees per year will be trained under this innovative scheme during the project period 2021 – 2026 for enhancing the employability and meeting the industrial demand for increasing productivity.

INTRODUCTION OF EMERGING TECHNOLOGY EQUIPMENTS IN LAB

Institute has introduced Internet of Things (IoT) based Domestic Appliances like House Lighting, CCTV, Smart TV, Washing Machine for Electronics Mechanic, Technician Power Electronics System & Electrician trade labs which happens to be one of the first few in ITI's in the country.

Godrej & Boyce Manufacturing Company Limited, Security Solution Division has donated CCTV setup for IoT Lab for practical training. Similarly, IoT based appliances have been donated by Reliance Retails Pvt. Ltd., who are our Industry Partners.

INDUSTRY DEMAND DRIVEN CUSTOMIZED TRAINING FOR ENGINEERS & TECHNICIANS

Hitachi ATM / CRM Engineers across the country have been trained at Mumbai, Chennai & Delhi on Multi Skill of UPS, Inverter, Power Supply, Split AC, E – Surveillance by our Trainers. A special training kit was designed and manufactured to suit their operational requirement. A total of 184 engineers & technicians were trained by us.

Anchor – Panasonic customized training program for field electrical technicians was conducted at the Institute. The training content was designed jointly by Anchor – Panasonic experts and Electrical Trade faculties of the Institute and successfully delivered training to 104 participants.

INSTRUCTOR TRAINING FOR OTHER INSTITUTE

Online Training on Microcontroller 8051 & Arduino was conducted by the Institute for Electronics Mechanic Instructor & trainees of Government ITIs in the state of Maharashtra. 50 Government ITI instructors and 50 trainees were trained under the title of “Mentor Plus” during the lockdown period. Similarly, offline training was conducted for another set of 25 Government ITI instructors of Electronics Mechanic Trade.

STAFF TRAINING

- 16 staff members of the Institute certified as a ISO 21001 : 2018 auditor. The training program was conducted by TUV SUD.
- Staff training on ISO 21001 : 2018 conducted by M/s. Ken Mentor and M/s. Mahindra & Mahindra, Business Excellence Team.
- Interpersonal Skill Training program was conducted by Mrs. Kavita Shetty, Business Coach, Mentor & Soft Skill Trainer.
- Water Filter, Water Cooler & Smart TV training program was conducted by Reliance Retail Pvt. Ltd.
- Application of PLC, a workshop was conducted by S. P. Automation, Mumbai.
- 5S training was conducted by industrial experts from L & T.
- Electrical & Electronics sector faculties were trained on CCTV by MATSPALL Bombay Lifespace Developers.

ON - THE - JOB TRAINING FOR THE TRAINEES

The training at TATA Power, Shahad, Kalyan was organized on solar, substations and HT line. AC / DC drives at Ambernath for Lift & Escalator Mechanic & Technician Power Electronics System trainees. Trainees attended an industrial exhibition on LED lights at NESCO, Goregaon.

Godrej Disha organized an online training program on domestic appliances like microwave oven, split AC, washing machine, window AC & inverter AC. It was a 6 day online program for Refrigeration & Air Conditioning, Electrician & Electronics Mechanic trade students.

INDUSTRIAL VISIT

Refrigeration & Air Conditioning trade students visited HVAC sites of M/s. R. K. Electricals, M/s. Hiver Aircon Pvt. Ltd., M/s. SARA HVAC Pvt. Ltd., Licious Frozen Factory.

Lift & Escalator Mechanic Trade Students visited KONECRANES, ThyssenKrupp & Johnson Elevator work site.

Fitter Trade students visited the railway workshop and FESTO India Pvt. Ltd. training centre.

CAMPUS INTERVIEWS

Reliance Retail Pvt. Ltd., Godrej & Boyce Mfg. Company, Hiver Aircon Pvt. Ltd., EOS Power India Pvt. Ltd., & other such companies conducted campus interviews.

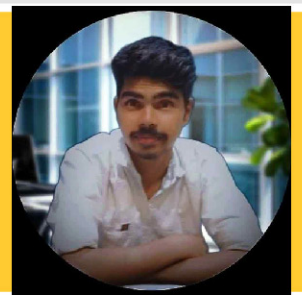

INSTALLATION OF ISHRAE CHAPTER

The ISHRAE Western Region Mumbai installed their Student Chapter at the Institute for Refrigeration & Air Conditioning trade students for 2021 – 22. They had also organized a seminar on Automobile Air Conditioning. Godrej & Boyce Refrigeration & Air Conditioner Division conducted online lectures on Domestic Appliances.

STARS OF INSTITUTE

Mr. Atul Firke, a trainee of Electronics Mechanic 2018 – 20 batch has been awarded Bronze Medal at Maharashtra State Skill Competition 2021 held at L & T and organized by Maharashtra State Skill Development Society.

GRADUATION CEREMONY

The graduation ceremony for Paramedical students was held at the Institute in March, 2022. Ms. Sayali Prakash Jadhav, a student of Certificate Course in Dialysis Technician scored 87.66% marks and stood 1st in the Institute.

Success Stories

Amit Padyar Electronics Mechanic

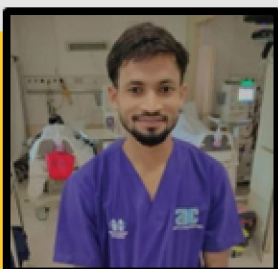

A son of a mill worker in Mumbai, while working as an apprentice at Naval Dockyard Mumbai decided to simultaneously do a part time Diploma in Electronics at LMTI. After successfully completing his diploma he got a job as a Technician in the Naval Dockyard Mumbai. Currently he is posted at Naval Dockyard Visakhapatnam as a Senior Technician in the Submarine Radio & Torpedo Fitter Department. His annual salary is Rs. 7.20 Lakhs.

Rupali Gaware Dialysis Technician

She was working as a non-certified Nurse at Gulkalash Hospital Mumbai, since 2009. She upgraded her qualification by doing the Dialysis Technician course in LMTI in 2019-20. She is now working as Nurse cum Dialysis Technician at Disha Hospital, Mumbai with a salary of Rs. 3.00 Lakhs per annum.

Rahul Kumar Yadav Dialysis Technician

A boy from Bihar who came to Mumbai in search of a job decided to enhance his qualifications for better opportunities. He joined the Diploma in Dialysis Technician course, 2020-21 batch at LMTI and is now working as a senior technician, drawing Rs. 3.00 lakhs per annum.

Lalji Mehrotra Technical Institute

Location: Gurugram, Haryana.

LMTI Gurugram became operational for imparting training in Allied Healthcare segment. It signed MOUs with various hospitals and healthcare centres for internships & placement of its students.

The centre obtained accreditation by National Skill Development Corporation (NSDC) under Ministry of Skill Development & Entrepreneurship and Healthcare Sector Skill Council for Emergency Medical Technician Course. The Center enrolled 72 students in its first year of operation.

Besides, it successfully conducted short term training in Electrician and Air-Conditioning for 110 employees of a multinational client.

The centre also conducted a corporate training for an established speciality clinic for their employees as emergency responder. Life saving techniques and first aid skills in emergencies with hands-on practicals were imparted.

The centre obtained a grant from a Navratana Public Sector Undertaking to provide a free scholarship to the underprivileged children. These children were imparted theory and practical sessions in the laboratory at the Institute and internships in various hospitals in Gurugram for completion of Emergency Medical Technician course. The children after successful completion of the course are now employed in healthcare sector and are lending a considerable support to their family.

Workshop On Skill Enhancement And Capacity Building For NonTeaching Staff

NATIONAL SCIENCE FEST (Interdisciplinary) 25 to 28th February, 2022

S.S. Khanna Girls' Degree College, Prayagraj
(A Constituent College of University of Allahabad)
Awarded "A" Grade by NAAC, College with Potential for Excellence (CPE), Phase II/UGC
Selected Under Strengthening Component of Star College Scheme: DIT

SKILL ENHANCEMENT AND CAPACITY BUILDING FOR NON-TEACHING STAFF
Workshop on "Basic operation of Computer: Microsoft Office"
February 07-15, 2022 (1:00 pm-4:00 pm)

Objectives

- To learn the basic function of Microsoft office
- To develop familiarity with word, Excel, Powerpoint, email, and internet basics.
- To establish a degree of comfort for performing day-to-day activities using computers.

Registration Fee
Rs. 500/- (to be paid in cash). Kindly contact in Department of Chemistry for registration. Venue: Department of Computer Science

SESSION PLAN

07 Feb 2022	Inauguration and Keynote Address (2:00 pm-2:30 pm)
	Session I (2:35 pm - 4:00 pm) MS Excel: Maintaining softcopy of Lab Records and Students Records
08 Feb 2022	Session II (2:35 pm - 4:00 pm) MS Excel: Maintaining softcopy of Lab Records and Students Records
09 Feb 2022	Session III (2:35 pm - 4:00 pm) MS PowerPaint: Bookmarked and Certificate design
10 Feb 2022	Session IV (2:00 pm-3:30 pm) Document formatting Preparing Notices Session V (3:30 pm-4:00 pm) E-mail drafting
11 Feb 2022	Session VI (2:00 pm-3:30 pm) Introduction of G Suite Essentials
12 Jan 2022- 14 Jan 2022	Self practice and Assignments
15 Jan 2022	Session VII: (2:00 pm-4:00 pm) Problem solving and Valuedictory Session

Abstract National Science Day - 2022
National Science Day is celebrated in India on 28th February each year to mark the discovery of the Raman effect by Indian physicist Sir C. V. Raman on 28th February 1928. In his discovery, Sir C.V. Raman was awarded the Nobel Prize in Physics in 1930. S.S. Khanna Mahila Mahavidyalaya is organizing National Science Fest as a part of National Science Day celebrations wherein number of virtual talks by distinguished speakers from premier institutions and student events will be organized. Theme for the National Science Day (NSD) is "Integrated Approach in Science & Technology for Sustainable Future".

Objectives of the Workshop
Chemistry is so deeply ingrained into so many areas of life that some background in the subject can be useful to provide cutting edge in profession. Important objectives of this workshop are:

- To aware about the various opportunities which students can avail after pursuing Chemical sciences
- To encourage them to be self dependent
- To provide a path to earn better livelihood
- To promote Entrepreneurship

is organizing One Day Online National Workshop on

Green Chemistry and Good Laboratory Practices

In order to fulfil following objectives:

- ♦ Aim to design and produce cost-competitive chemical products.
- ♦ Processes that attain the highest level of the pollution -prevention hierarchy
- ♦ Designing of safer chemicals
- ♦ To become aware about a set of principles within which laboratory studies are planned, performed, monitored and reported.
- ♦ Assure the quality and integrity of data
- ♦ Aware about standard operating procedure

You all are cordially invited to join us

Saroj Lalji Mehrotra Centre of Legal Studies

Location: Prayagraj, Uttar Pradesh

Saroj Lalji Mehrotra Centre of Legal Studies is pleased to present the Annual Academic Report for the session 2021-22. Having reached the third year of its establishment, the Centre is consistently engaging the students in both academic as well as co-curricular activities. Navigating through the challenges that the Covid-19 pandemic posed before us, the Centre took to the online mode to ensure that the teaching-learning process is not hampered. The Centre regularly conducted various online activities at a time when

meeting physically was not possible. Gradually, with the relaxation of Covid-19 guidelines and vaccination of both the faculties as well as the students, the Centre shifted on an offline mode for both teaching as well co-curricular activities from February 2022.

The Centre of Legal Studies has reverted completely to physical classes as well academic activities.

The Centre of Legal Studies is fully committed to its goal of imparting comprehensive, quality legal education. It is working relentlessly to set the seal on the overall development of its girl students. We hope, that with the continued support of Sar-La Education Trust, we will be able to realize this objective and better ourselves every day.

TWO – DAY NATIONAL e-CONFERENCE

'A GOVERNING JUDICIARY: TO BE OR NOT TO BE' [29 – 30 October, 2021]

Saroj Lalji Mehrotra Centre of Legal Studies, S.S. Khanna Girls' Degree College, Prayagraj organized a two-day National e-Conference on "A Governing Judiciary: To Be or Not To Be" on 29th and 30th of October, 2021 in three sessions.

The inaugural address was delivered by Hon'ble Justice Mr. A. P. Sahi, Director National Judicial Academy, Bhopal. On the second day, Prof. Amar Pal Singh, Dean, USLLS, Guru Gobind Singh Indraprastha University, New Delhi and Prof. (Dr.) Jai Prakash Rai, Professor, Faculty of Law, Banaras Hindu University enlightened the participants in two different sessions. The valedictory address was made by Prof. (Dr.) R. K. Chaubey, Professor, Faculty of Law, University of Allahabad.

The benign presence and exhaustive deliberations of the speakers made this conference a great learning experience for the participants.

~Hon'ble Chief Justice Mr. A.P. Sahi speaking at the Two-Day National e-Conference on 'A Governing Judiciary: To Be Or Not To Be'~

VISIT BY HON'BLE CHIEF JUSTICE MR. A.P. SAHI, DIRECTOR – NATIONAL JUDICIAL ACADEMY [9th November, 2021]

Saroj Lalji Mehrotra Centre of Legal Studies, S.S. Khanna Girls' Degree College, Prayagraj organized an interactive session on 9th November, 2021, where Hon'ble Chief Justice Mr. A.P. Sahi, Director of National Judicial Academy, Bhopal conversed with the students and answered their queries related to future career prospects after completion of integrated law course. This session was conducted in hybrid mode. At the end of this interactive session, he answered the queries of students and enriched them with his personal experiences. He said that as a lawyer, ethical foundation is very essential. Hon'ble Justice Mr. Arun Tandon concluded the session by

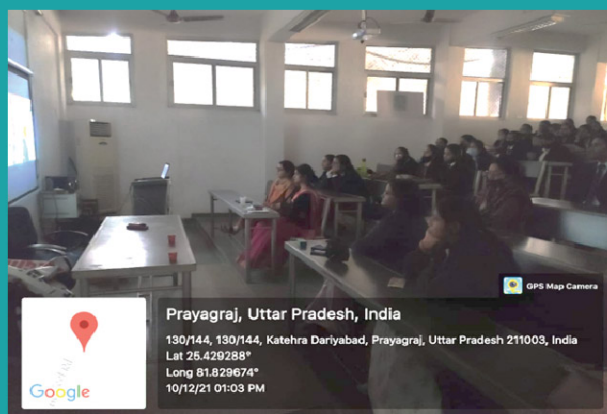

saying that whenever the students become a service provider, they should promote their juniors who are capable and deserving. The session ended with a vote of thanks by Ms. Darshita Srivastava, third year student of law course.

~Hon'ble Chief Justice Mr. A.P. Sahi interacting with the students of Saroj Lalji Mehrotra Centre of Legal Studies~

MOVIE SCREENING ON INTERNATIONAL HUMAN RIGHTS DAY [10th December, 2021]

International Human Rights Day is celebrated every year on 10th December to commemorate the day on which UN General Assembly adopted the Universal Declaration of Human Rights in 1948. Saroj Lalji Mehrotra Centre of Legal Studies, S.S. Khanna Girls' Degree College, Prayagraj organized screening of the movie Jai Bhim so that students realize that we have to work towards equality, reducing inequalities, and advancing human rights, which also happened to be the theme of Human Rights Day 2021.

~Movie Screening for the students of Saroj Lalji Mehrotra Centre of Legal Studies on International Human Rights Day~

Saroj Lalji Mehrotra Global Nursing College

Location: Abu Road, Rajasthan

EMPOWERING STUDENTS

To commemorate World Environment Day and help create awareness of the need to care for the environment, the Principal led the faculty and students on a tree plantation drive.

Nutrition is an essential part of a nurse's training. At the Saroj Lalji Mehrotra Global Nursing College, the subject 'Therapeutic Diets' was creatively handled. Students were asked to prepare different specialty diets for patients suffering from renal issues, cardiac complications, diabetes, and for toddlers and expectant mothers, under the guidance of dietitian Shruti. To enthuse students,

the exercise was made a competition! Director of Cardiology and Medicine at the Radha Mohan Mehrotra Trauma Centre Dr Satish Gupta examined all the preparations and declared the winner and runner up. World Mental Health Day falls on October 10 every year. The faculty got students thinking about mental health by arranging a mobile photography contest on the theme—positivity everywhere.

STUDENTS EMPOWER THE COMMUNITY

During World Breastfeeding Week (in the first week of August) students interacted with patients in the Community Health Centres in Akrabhatta and the maternity hospital in Chandrawal. They explained the importance of breastfeeding, the best breastfeeding positions, diets that support lactating mothers, and the need for families and society to support the practice. Lecturer Nidhisha Pillai and clinical instructor Sheetal Rana arranged these events.

In November, students celebrated the Newborn Care Week at the Community Health Centre in Akrabhatta. Students imparted knowledge to walk-in patients on breastfeeding, immunisation, baby safety measures, and the need for family and

Total strength: 113 (66 boys + 47 girls)

societal support to infants and mothers.

World Aids Day (December 1) was marked by awareness programmes for students of the government senior secondary school in Bharja. The performing nursing students emphasised this year's theme, end inequalities end AIDS, by sharing information on the mode of transmission of HIV, the stigma surrounding the disease, preventive measures, treatment and the role of nurses in reducing stigma and discrimination.

On December 14, a few students came forward to donate blood at a blood donation drive organised by the Radha Mohan Mehrotra Global Hospital Trauma Centre.

Students marked World Cancer Day on February 4 by conducting a skit to create awareness on oral cancer and breast cancer preventative measures. They brought out the theme, close the care gap. Assistant professor Harish Nair, lecturer Sudhanjali Behera and nursing tutor Ratheesh R facilitated this initiative.

Students conducted a street play and chart display at village Bharja on the occasion of World Tuberculosis Day, which falls on March 24 annually. Lecturer Sudhanjali Behera helped the students.

STUDENT SKILLING & DEVELOPMENT

Radio Madhuban production head Krishnaveni Katakam and intern Prachi interacted with the students on the theme Young warrior, role of youth to combat Covid-19.

Students were taught meditation to help them cope with the stress of daily living. Spirituality teachers BK Savita and BK Urmil were called in from Shantivan, the Brahma Kumaris nearby campus, for this in September.

Over a couple of sessions in February, spiritual counsellor Kalpana Bhandare, introduced the students to Values in Healthcare: A Spiritual Approach, a modular programme for health professionals aiming at showing them how to apply values at the workplace for better outcomes and more satisfactory careers.

In March, trainer-motivator Subhash Sarangi and deputy manager training & development at J Watumull Global Hospital & Research Centre Shrinidhi K conducted a learning session on empathetic listening & exploring inherent competency for the students.

FACULTY SKILL UPGRADATION

Banupriya A, Vice Principal, and Sudhanjali, lecturer, took a three-day online course in building nursing & midwifery leadership for achieving the Universal Health Care/ Sustainable Development Goals. This was organised by the Department of Social Sciences, National Institute of Health & Family Welfare, New Delhi.

LAST BUT NOT THE LEAST...

Alumni Naresh Trivedi had made the college proud by serving seriously ill Covid-19 patients in a reputed hospital in Ahmedabad. Last year, Trivedi's career took another leap in his selection as Nursing Officer at the National Centre for Polar & Ocean Research, India's premier institution for R&D in the Polar Region and Southern Ocean. He has been posted in Antarctica as well as the Indian Ocean sector of the Southern Ocean.

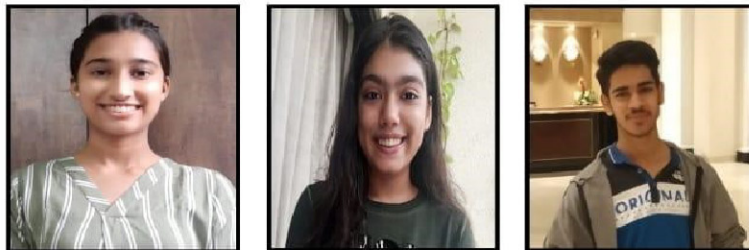

Lalji Mehrotra Lions School

Location: Ahmedabad, Gujarat.

LML School, one of the finest schools in Ahmedabad has earned a unique name for itself. It has successfully completed twenty years. The difficult times of the pandemic could not stop us from reaching new heights. LML School celebrated all festivals and important days on campus as well as online. Our students excelled both in academics as well as co-curricular activities. They have achieved outstanding results this year, both in ICSE (Class X) as well as ISC (Class XII) level.

PROUD MOMENT FOR LML SCHOOL

ISC Examination-2020-21 (Class XII)

Anjali Mehta (Science)- 99.80%	Divya Lohiya (Commerce)-94.80%	Nisarg Patel (Humanities)- 97.20%
--	--	---

ICSE Examination-2020-21(Class X)

Prempratit Kothari 98.33%	Kuljot Singh Bakshi 97.17%	Renee Shah 97.17%	Prarthan Patel 96.83%
-------------------------------------	--------------------------------------	-----------------------------	---------------------------------

INTER- SCHOOL COMPETITIONS

Various Inter-school competitions were successfully conducted during the year both on campus as well as online. Large number of prestigious schools across Ahmedabad participated in these competitions.

Peace Poster Competition

Inter School Handwriting Competition

FESTIVALS AND CELEBRATIONS

LML School believes in inculcating cultural values as well as patriotism in the young minds. We celebrated all the religious and National festivals in School to make our students aware of our rich cultural heritage and foster unity in diversity.

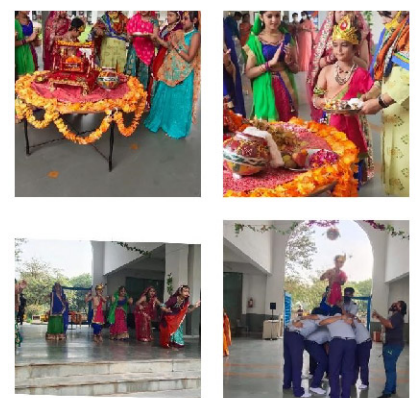

Independence Day

Rakshabandhan

Janmashtami

Teachers' Day

Diwali Celebration

Children's Day Celebration

Basant Panchami Celebration

Republic Day

Grandparents' Day

Grandparents give unconditional love, kindness, patience & most importantly blessings in abundance for the children. LML School strongly believes in holistic development of a child and understands how important it is to seek blessings of the grandparents by celebrating the Grandparents' Day. Like every year, this year too Grandparents of our children graced the occasion and participated in a number of activities including planting saplings.

Sports Day

The pandemic had resulted in lack of physical activities among children. Keeping this in mind, LML School organized a full-fledged Sports Day for two days on campus. Students from all the classes actively participated in this event and it was a great success.

Founder's Day

On the occasion of 20th Founder's Day LML School proudly announced the Video launch of 'NINAD- Navsrijan 2021' on our official Youtube channel. The mesmerizing performances of the students in the form of dance and drama bearing the essence of a simple philosophy of life *After every dark night we have bright and blissful morning*. Life is a cycle of sorrow and happiness. Face life as it comes to you!

WORKSHOPS AND SEMINARS

LML School empowered parents and educators through workshops and seminars. Various workshops were organized for the Parents during the year to enable them deal with the behavioural issues faced by their children during the pandemic. Some of the other topics chosen for these workshops were- Cyber bullying, excessive use of gadgets among children, etc.

SERVICE TO SOCIETY

At LML School, we prepare our children to become global citizens who would serve the society in all possible ways. To support this we conduct various charity drives, care for the environment programs, sustainable development program etc.

Say NO to Plastic

Doctors' Day Celebration

Hunger Drive

Plantation Drive

World Nature Conservation Day Celebration

Unique Act of Kindness!

I Breast Screening Camp

Covid Vaccine Dose 1 & 2 For School Students

Even during the difficult period of the pandemic, we toiled hard to ensure the physical and mental well-being of all, i.e. our students, parents and our educators. LML School continues to strive towards excellence for the growth and development of its students. We continue to receive constant support from our happy and contented parents.

OUR STRENGTH

Mr. Jugal K. Tandon, Chairman Governing Council (Skills Development)

Metallurgical Engineer with 50+ years of experience in setting, operating and expanding Steel Plants, Zinc Smelter, Cement Plant, etc. Most of which achieved global performance Levels. Recipient of 'National Metallurgist (Industry) Award (2007), Ministry of Steel & Mines, Government of India; member of committee (2012-14) set up to identify best steel plant of India, for the Prime Minister's Trophy.

Mr. J D Bhutange, Director

His past experience as a policy maker in the area of skill development at state and national level, helps to rebuild Sar-La's technical and vocational institute, LMTI as a state level institute and its presence at national level. His initiative for creating LMTI as a training hub with collaborative arrangement with the industries to enhance employability is the unique feature of the institute.

Mrs. Nirmala Tandon, Chairperson Governing Council (K-12 Schools)

Founding CEO of a non-profit organization educating girls. Passionately engages and has been instrumental in bringing out-of-school girls in remote rural areas of India, into the fold of quality primary education. Also has 30+ years of enriching experience of teaching both in formal and non-formal system of education.

Capt. Unni Gopala Krishnan Senior Member, Governing Council (K-12 Schools)

An alumnus of the Prestigious Officers Training Academy, Chennai. After a successful stint with the Army he entered the field of Education and for the last 20 years, has been instrumental in the setting up of several renowned educational institutions. In October 2012, he started Abacus Education Services with the objective of offering turnkey solutions for establishing and managing schools. Under Abacus, he established Aspire International School in Nagpur, the first truly International School in Nagpur offering the Cambridge University program.

Mrs. Bijal Rele Assistant Director (Finance & Admin)

A team member with relentless drive and ability to work within and the associated institutions of Sar-La Education Trust. Having been in the organization for over 23 years - she is known to be demanding and appreciative of work being done in both the administrative and the finance departments. Her sincerity and dedication to one organization is a testimony of her loyalty.

BOARD OF TRUSTEES

Mr. Vinaya Mehrotra

Mrs. Lata Mehrotra

Mr. Bharat Tandon

Mr. Rahul Tandon

Mr. Rajesh Mehta

Mrs. Reena Mehrotra

Mr. Chetan Mehrotra

My involvement as a Trustee with Sar-La Education Trust is relatively recent. I find it extremely encouraging that the Trust has a well-defined charitable foot print within the learning space. This is the space where the Trust has a serious presence and wants to make a long-term difference.

Its vocational training in industry relevant and employable skills are a historical forte. Its K-12 schools in Ahmedabad and Nagpur provide quality education to the deserving and to the disadvantaged. Its involvement with institutions of higher education is remarkable. A beginning has been made in Teacher Training which, over the years, will occupy an important position within the Trust's endeavors.

I look forward to adding value to all these endeavors of Sar-La Education Trust.

Mr. Rahul Tandon
